ATT Day of Entry: \$30

CGC/Trick Dog Day of Entry: \$25/\$15

Puyallup Valley Dog Fanciers Club

Purpose: The AKC Temperament Test (ATT) is a general temperament test for all breeds and mixed breed dogs that will assess the dog's reaction to a variety of stimuli. These stimuli will be in the following categories: Social, Auditory, Visual, Tactile (touch), Proprioceptive (motion), and Unexpected Stimuli. The purpose of the ATT is to test of fear, shyness, inability to recover, and lack of cooperation. Desired traits are that the dog will be emotionally stable, inquisitive, appropriately social for its breed, biddable, and demonstrates the ability to recover from a startling situation in a reasonable amount of time. Dogs who show signs of aggression will not pass the test.

Eligibility: Dogs who are at least 1 year of age are eligible to take the ATT and must either be AKC or FSS registered or be listed with Canine Partners or have a Purebred Alternative Listing number. Dogs that are spayed or neutered may participate. Dogs must be able to perform whole categories of the test (such as hearing auditory stimuli and seeing visual stimuli) in order to be eligible to earn an ATT title. Dogs with disabilities such as those that are blind, deaf, or have three legs are eligible to enter provided, in the opinion of the evaluator, they display no signs of physical discomfort and can safely complete the test. However, if a dog has multiple disabilities such that, it is unable to complete whole categories of the test (i.e., hearing auditory stimuli and seeing visual stimuli), the dog will not earn the ATT title.

Excusals: The evaluator should excuse dogs from the ring immediately if they show any signs of aggression or soil the ring (urinate or defecate). Handlers may be dismissed for excessively talking to the dog, refusal to follow the evaluator's instructions, or for making corrections with the leash or otherwise. The evaluator may discontinue testing if they determine the dog is too fearful or under duress to complete the testing.

Entries and Refunds: There will be no refunds for bitches in season as they are allowed to enter. There will be no refunds of pre-entries unless approved by the event committee because of extenuating circumstances. A dog may enter each test only once (a test is defined by its even number).

All exhibitors should obtain a copy of the Regulations for the ATT on the AKC website at www.akc.org
Safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this test.

This AKC Temperament Test event is held in conjunction with The Western Washington Cluster. (CGC, CGCA, CGCU, and Trick Dog testing may also be offered if time allows.)

Repeating a Test Item: Dogs may not repeat test items in these categories: Social, Auditory, Visual, and Unexpected Stimulus. Dogs may attempt test items a total of 3 times for Tactile and Proprioceptive categories. Scores are adjusted accordingly when test items are repeated. Retesting: If a dog does not pass the ATT, it may take the test again as soon as the handler feels the dog is ready. If there are two tests on the same day (morning and afternoon) and the dog does not pass the morning test it may retest in the afternoon.

AKC Temperament Test Title: If the dog passes the ATT on two occasions, under two different evaluators, the owner may apply for the AKC Temperament Test (ATT) suffix by going online to www.akc.org/akctemptest and submitting the ATT title application along with the Evaluator Score Sheets (one from each of the two required tests) and the required title application fee. Upon verification, the ATT title will be applied to the dog's record and will appear on the dog's AKC title record. The title certificate will be mailed to the dog's primary owner of record.

Test Stations:

Social - Computer bag, chair in bag on arm, large purse, etc.

Auditory - Large plastic bottle with coins, handheld vacuum, whistle, bike horn

Tactile - wire grate, plastic tarp, plastic lattice on foam, peg board on air mattress

Proprioceptive (motion) - PVC ladder/low hurdles, hoops on floor (8), low teeter, low platform

Unexpected Stimulus - Large box, large stuffed animal or doll, Folding chair or chair in bag, walker, wheelchair, crutches

Unusual clothing (ex: raincoat, hats, large coat, sunglasses, etc.)

We are excited to offer AKC Canine Good Citizen (CGC), Canine Good Citizen Advanced (CGCA) and Urban Canine Good Citizen (CGCU) this year, as well as Trick Dog (Novice, Intermediate, Advanced) Testing!

(If entering Trick Dog, please bring with any props you may need to perform your dogs tricks)
